#### **b. Information Accuracy**

Exhibitors are responsible for ensuring that all information provided during registration is accurate and complete. Any discrepancies or inaccuracies in the registration details may lead to delays or issues, for which the Organizer shall not be held liable. Exhibitors should ensure

that all mandatory fields are properly filled, as incomplete submissions may result in the rejection of the registration.

## **V. SPACE BOOKING**

---

### **a. Space Booking and Allocation**

Exhibitors must submit their applications for space, kiosks, or desks exclusively through the official online portal. Upon review and acceptance of the application, the Organizer will allocate the appropriate exhibition space, including a branding display to the Exhibitor and issue an invoice for the booking. To secure the reservation, Exhibitors are required to make full payment within the stipulated period. Failure to do so will result in the automatic cancellation of the provisional booking. Exhibitors are encouraged to apply early, as space allocation will be on a first-come, first-served basis, subject to availability.

The Exhibitor will be entitled to use only the space allocated for setting up its booth and branding displays. No additional space shall be provided unless at the sole discretion of the Organizer. Should additional space be required, the Organizer may grant such space at an additional cost.

### **b. Application Review and Confirmation**

Upon receiving an application, the Organizer's team will review it to ensure alignment with the event's mission and values. Following approval, the Exhibitor will receive an Exhibitor Agreement for review and confirmation. This agreement not only secures the space but also includes branding opportunities such as the display of the Exhibitor's name and logo on marketing materials, the event website, and at the exhibition itself.

### **c. Set-Up and Assistance**

The Organizer, without any contractual obligation, will endeavour to provide logistical support to help Exhibitors set up their allocated space. From booth / stand arrangements to branding displays, the Organizer will endeavour to assist with all essential elements to create a seamless and professional exhibition experience. The Exhibitor shall ensure that its booth does not interfere with adjacent booths or spaces. Additionally, all booths and kiosks must be fully set up in advance of the exhibition, within the timeframe stipulated by the Organizer.

### **d. Binding Contract and Compliance**

Once the Organizer accepts the registration application, it becomes a binding contract between the Exhibitor and the Organizer, governed by these T&Cs and the Exhibitor Agreement. Non-compliance with the payment terms or any other event regulations may lead to the termination of the contract, forfeiture of fees, and denial of access to the exhibition area. While the Organizer will take into account the preferences and requirements of each Exhibitor, space allocation remains at the Organizer's sole discretion, with final decisions based on availability and other operational considerations.

## **VI. PAYMENT SCHEDULE**
